SIGNATURE MASSAGE

BALINESE MASSAGE

A relaxing treatment that combines gentle stretches, acupressure, firm yet gentle strokes, and aromatherapy to stimulate blood flow.

60' 160K | 90' 230K | 120' 310K

ASIAN BLEND

Amaya's signature massage which is crafted with a blend of techniques, including Thai stretching, deep tissue, Lomi Lomi, and hot stone therapy. It uses deep, slow strokes to target the inner layers of your muscles, helping to rebalance your energy and provide complete relaxation.

60' 180K | 90' 260K | 120' 345K

FIRE CUPPING

An ancient form of alternative therapy where heated cups are applied to the skin to create local suction. This suction and pressure help to loosen muscle tension, draw blood to specific areas, relieve back pain, and function as a type of deep-tissue massage. The ancient Egyptians used cupping therapy to treat fever, pain, vertigo, menstrual issues, and other ailments.

BODY DETOX (with Infrared Sauna Blanket!)

The deep-penetrating infrared heat of a sauna blanket can help alleviate muscle soreness, joint pain, and stiffness. It also promotes better blood circulation, which aids in reducing inflammation and easing pain. An infrared sauna blanket is a portable, compact solution that offers all the benefits of a traditional sauna in a more convenient way.

Note: This treatment is not suitable for individuals with active cancer, tumors, open wounds, or during pregnancy.

SENSATIA BOTANICAL FACIAL

A premium-quality skincare brand made in Bali since 2000, Sensatia uses only natural ingredients, free from chemicals and artificial substances. Each product is thoughtfully crafted like food for your skin, adhering to the highest quality standards.

Experience the Sensatia Facial combined with a Rose Quartz Guasha face massage—a traditional Chinese technique that uses a rose quartz scraping tool to relieve muscle tension and promote lymphatic drainage. Guasha helps break up fascia and activates pressure points to enhance blood circulation for optimal results.
